

# ClogChopper™

Rip Through Tough Stoppages with the Unique ClogChopper™ Multi-Function Cutting Tools!

**General**  
 PIPE CLEANERS

**#37740**  
**4" ClogChopper**  
 For 5/8" & 3/4" cables

Six self-sharpening blades dig into encrusted debris and root masses, easily grinding up stoppages, scale, and crystallized urine, without risking pipe damage. The spherical design maneuvers around tight ends and traps, thoroughly and safely cleaning metal, plastic, and clay pipes. As it spins it also self-sharpens as it scrapes along the pipe walls. It's excellent for clearing stacks, downspouts, mains, as well as for drain lining jobs.

The 1" ClogChopper is GREAT tool for removing crystallized urine!

**#36505**  
**1" ClogChopper**  
 For 5/16" & 3/8" cables

**#37733**  
**2" ClogChopper**  
 For 5/16" & 3/8" cables

**#37741**  
**3" ClogChopper**  
 For 5/8" & 3/4" cables

## General's ClogChoppers are:

- **Maneuverable.** The perfectly balanced ClogChopper™ automatically negotiates multiple, tricky bends – maintaining a central line position and minimizing pipe wall, elbow, connection and joint damage.
- **Efficient.** With "all surface" cutting edges, ClogChopper™ clears clogs and scrapes encrusted debris from inner walls –into and out, all in one operation. The six inverted cutting edges run smoothly, without rattling or jumping.
- **Economical.** Durable enough to handle years of demanding use in residential and commercial applications, ClogChopper™ actually self-sharpens while working.
- **Versatile.** We offer ClogChopper™ connectors for most popular brands of drain cleaning machines.
